Sadhe-Sati Remedies

Sadhe-Sati is a challenging period in one's life that requires patience, discipline, and spiritual practice. The following remedies can help mitigate the adverse effects of Saturn during this period.

Remedies

1. Chant 'Om Sham Shanaischaraya Namah' 108 times daily.
2. Keep a fast on Saturdays and consume only vegetarian food.
3. Donate black sesame seeds, mustard oil, or iron items on Saturdays.
4. Worship Lord Hanuman on Tuesdays and Saturdays.
5. Light a mustard oil lamp under a Peepal tree on Saturday evenings.
6. Wear a Blue Sapphire (Neelam) gemstone after consulting an astrologer.
7. Feed crows with cooked rice on Saturdays.
8. Recite Hanuman Chalisa daily for protection from Saturn's effects.
9. Visit Shani temples on Saturdays and offer til (sesame) oil.
10. Practice charity and help the underprivileged regularly.

You probably possess a desire to raise goals to a higher level and to seek ideas which would be of benefit for the group. Or you may desire to place your own goals and desires above the wishes of the group. You have the ability to make friends, many who are influential and wield power. You enjoy your work with groups. You are responsible, liberal and broad-minded. You are a humanitarian who would rather be popular than powerful. You have organizing ability and probably take the leadership role in group activities or friendly get-togethers.

You seem to attract sensitive people as partners, perhaps those who want to mother you or be mothered. There can be many changes of partners and many relationships because of the need to find someone who can bring an ultimate security. This search continues because security can only be found within, not without. You desire companionship, hence many relationships.

Your feelings are greatly influenced by those with whom you are in close personal contact. You want to be popular with others. You are inclined to seek partners who can bring out your sympathetic side and play on your emotions.

For men there is often a tendency to seek a mother figure and to bring out in others a desire to mother, protect and care for them. You are therefore likely to attract a partner who is kind and domesticated.

Both you and your partner may need to be on your guard against moody or fickle behavior. Marriage may be undertaken with the object of establishing a home. More than one marriage is possible.

There is probably a compelling emotional need for a partner and for marriage. In order to get the best results from any partnership you must learn to control any tendency to be continually at the mercy of your moods, which may result from over-vulnerable feelings. Try to control a tendency to be too dependent on others for your emotional stimuli and you should discipline a constant desire for changes in the nature of the relationship.

Concerning vocation: Your work situation is tied to the public, partnerships, a keen awareness of public expectation and the need to meet it. Perhaps marriage is essential to give clear focus to work security. For many with this position, the work profile can be labeled a public
